CERTIFICATE

This is to certify that **Ms. Priyanka Sharma**, student of **B.Tech. in Biotechnology** at **Department of Bioengineering and Biotechnology Birla Institute of Technology, Mesra, Ranchi** has worked in Free Radical Biology Section of this Division, for her project entitled, **“Role of Thioredoxin Reductase in Ferroptosis in A549 Lung Cancer Cells”**.

During this period (January 2026 to May 2026), she has been extremely sincere in conducting the experiments and enthusiastic to learn the techniques. She demonstrated clarity of focus and dedication in identifying her project topic to pursue her research in area of **“Cancer biology and ferroptosis”**. She revealed a deep-rooted interest in the subject and had put in sincere efforts to build a sound and advanced knowledge in the same.

I wish her the best in research and professional career in future.
